Dumping of DAP in the Country

418. SHRI B. K. HARIPRASAD : Will the PRIME MINISTER be pleased to state :

(a) whether it is a fact that in the wake of decontrol of pricing, distribution and import of phosphatic fertilizers, there has been voluminous dumping of diammonieum phosphate in the country by overseas producers;

(b) what is the cost difference between the indigenously produced DAP and the imported one;

(c) whether this dumping by overseas DAP producers has created a glut of unsold DAP stocks with the indigenous producers and whether the indigenous producers could survive any longer with unabated dumping; and

(d) whether Government would activate its anti-dumping mechanism by monitoring the situation closely to ensure survival of the indigenous DAP facilities ?

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS AND FERTILIZERS (SHRI EDUARDO FALEIRO) : (a) There have been allegations by the Indian phosphatic industry of dumping of DAP by foreign suppliers. The Fertilizers Association of India have submitted a petition dated 22nd April, 1993 in this regard to the Government.

(b) The difference between the cost of indigenously produced and the imported DAP at present works out to, on an average, about Rs. 2500/- per tonne.

(c) Following decontrol, there has been significant declined in demand for DAP on account of increase in its price and there are substantial quantities of unsold stocks lying with handling agents and indigenous producers of DAP. The indigenous producers are handicapped in selling their DAP because their cost of production is higher than the price of imported DAP.

(d) Government have necessary arrangements to investigate and redress cases of injurious dumping. The designated authority in the Government, however, has to satisfy itself of prima-facie evidence of dumping, injury and a causal link between the dumped imports and the alleged injury before deciding to initiate anti-dumping investigation.

Exemption to small scale drugs sectors

419. SHRIMATI KAILASHPATI : Will the PRIME MINISTER be pleased to refer to the answer to Unstarred Question 1225 given in Rajya Sabha on 4-3-93 and state :

(a) whether it is a fact that under Companies Act, 1956 units having turnover of Rs. 10 crores or more are not treated as small scale sector units;
